Dear [redacted]

STAT

Reference is made to your letter of 27 January 1948 transmitting a copy of your report on Cyprus prepared for the Passport Control Officer.

Although I appreciate your obligation to the Passport Control Officer and your eagerness to do what you can in turn for him, I should like to emphasize that an extra functional service of this sort, particularly when it results in a report in writing on such a highly classified subject, should not be performed without authorization from this office.

Very truly yours,

PKH:bhr
